

LUNCHES WITH LEADERS 2011

Tuesday, September 27th– Leadership

Jeffrey Wacker is a graduate of Butler County Community College, Missouri State University and has a master of education degree from the University of Kansas. He is a current board member with Winfield Habitat for Humanity, Leadership Cowley County, Winfield Convention Tourism and current president of Young Professionals of Cowley County.

Wednesday, September 28th– Discipleship

A Kansas native, Rev Amy Lippoldt has been a pastor for nine years and currently serves at Woodland UMC in Wichita. Along with thinking about theology, she fills her time with coffee, books, bicycles and watching sports. Rev Amy wishes she had more witty things to say on Twitter (@amylippoldt) and refuses to try Google+ (aren't two gargantuan social networks enough?).

Thursday, September 29th– SAAB

Dr. Thomas Scott is a graduate of Wittenberg University (BA – Biology). He attended Meharry Medical College and was inducted into Alpha Omega Alpha Honor Medical Society before graduating with a MD. He is a Diplomate of the National Board of Medical Examiners, the American Board of Internal Medicine, and the American Board of Allergy, Asthma, and Immunology.

Dr. Fannette Thornhill-Scott is a certified Pediatric specialist. She graduated from Meharry Medical College where she earned her MD degree. Dr Thornhill-Scott obtained her pediatric training at Tod Children's and Babies Hospital and Kosair Children's Hospital. Traveling to Ghana, West Africa she adopted a village and partnered with the Wichita Chapter of The Links to support an orphanage in Teshie.

Friday, September 30th– Phi Delta Theta

Ryan Wheeler graduated from Cowley College with an associates in accounting in 2008 and later graduated from Friends University with a bachelors in business administration in 2011. Wheeler spent nine years with Pizza Hut in Management and currently works for Kline Motors in Winfield in sales. He is also the chapter advisory board chairman for Phi Delta Theta at SC and is actively involved with the Masons in Kansas.

Monday, October 3rd– Green Team

David Carter has served as a pollution prevention specialist with the KSU Pollution Prevention Institute since 2006. Prior to coming to K-State, Carter was in private consulting, assisting private organizations in implementing the ISO 14001 Environmental Management System (EMS) standard. Carter is certified as an energy manager by the Association of Energy Engineers. Carter received his B.S. in Biology from Florida Tech and his M.S. in Toxicology from Kansas State University.
