GENERAL INFORMATION

Graduation with honors General honors are awarded to those members of the graduating class who have completed their degrees and have attained a high level of scholastic achievement. Graduates with a cumulative grade point average (GPA) of 3.85 or higher graduate *summa cum laude* (with highest honors); a 3.70 is required for *magna cum laude* (with high honors), and a 3.50 for *cum laude* (with honors). For students who have transferred hours to Southwestern, both the resident and cumulative GPAs must meet the standard.

Order of the Mound Southwestern College honors those members of the graduating class who have completed their degrees and whose academic work has been outstanding by naming them members of the Order of the Mound. After calculation of their final grades, these seniors are the top 10% of the graduating class. Students must have 60+ graded hours completed at Southwestern College to be eligible. A purple and gold cord denotes this honor.

Valedictorian/Salutatorian The graduating senior with the highest grade point average is recognized as valedictorian. The second highest ranking student is named salutatorian. If two or more persons are ranked equally for valedictorian, all are named such and no salutatorian is recognized. A purple and gold neck ribbon with a medallion denotes this honor.

Sashes and honor cord color designations Membership in honor societies is denoted as follows: Beta Beta Beta (biological honor society), red and green sashes; Pi Gamma Mu (social science honor society), royal blue and white cords; Sigma Theta Tau (nursing honor society), purple and white cords; Kappa Mu Epsilon (mathematics honor society), pink and white cords, pins; Phi Beta Delta (international honor society), medallions with red and yellow ribbon; National Student Nurses' Association, blue and white honor cords. Education graduates are wearing light blue and white cords; gold, purple, green, and red cords denote membership in Campus Players.

Professor Fran Jabara Professor Jabara earned his undergraduate degree from Oklahoma State University and completed his graduate studies at Northwestern University. He was an advocate of the American free enterprise system and founded the Center for Entrepreneurship at Wichita State University in 1977. A nationally recognized leader in entrepreneurship, Mr. Jabara, received numerous recognitions, awards, and honors during his lifetime. He died in 2015 at the age of 90. Two students are honored with the Fran Jabara Leadership Award each year at commencement.

Charles H. Kopke '44 and Verda R. Kopke: Charles and Verda Kopke have endowed the Distinguished Teaching Award at Southwestern College to annually recognize members of the college's faculty who exemplify Southwestern's commitment to excellence in teaching. The Kopkes, who have both passed away, left a philanthropic legacy – their strong support of Southwestern and of outstanding educators is made visible through the award presented today.

Junior marshals Junior marshals lead the procession of graduates and are garbed in ivory robes with purple stoles. They are chosen from those students who meet specified grade point average standards. This year's junior marshals are **Raen Holding** and **Joshua Carter**

Late May and Summer graduates: Students who plan to complete their degrees in late May or during the summer of 2022 are invited to process in this ceremony. Since their degrees are not yet conferred, their honors are not reflected in this publication.

**The Southwestern College
ALMA MATER**

Far above the Walnut Valley
On a lofty height,
Stands our noble Alma Mater,
Bathed in golden light.

Chorus

*Lift the chorus, speed it onward,
Over hill and dale,
Hail to thee, beloved Southwestern,
Alma Mater, Hail!*

Far above the stir and bustle
Of the busy town,
Reared against the arch of heaven,
Looks she calmly down.

To the heights she calls us daily,
Alma Mater, dear,
Heights of knowledge, hope, and courage,
Free from doubt and fear.

ACADEMIC REGALIA

On formal academic occasions the faculty appears in academic dress that originated in the Middle Ages. This dress includes the gown, the hood, and the mortarboard (cap). The gown distinguishes holders of the three degrees—doctorate, master’s, and bachelor’s. The doctoral gown is faced with velvet and has bell-shaped sleeves, on each of which are three velvet chevrons. The master’s gown has sleeves which reach nearly to the knees and are slit above the elbow. The bachelor’s gown has pointed sleeves and lacks the velvet trimming of the doctoral gown.

The hood indicates by the color of its velvet edging the area of study in which the wearer’s degree was taken, and its silk lining displays the color or colors of the institution that conferred the degree. (For instance, Southwestern College’s colors are purple and white.) On most campuses the most common degrees are in arts, letters, or humanities (white); business administration or accounting (drab); economics (copper); education (light blue); fine arts (brown); journalism (crimson); library science (lemon); music (pink); nursing (apricot); philosophy (dark blue); physical education (sage green); science (golden yellow); social science (citron); speech (silver gray); and theology (scarlet).

The mortarboard tassel of the faculty holding bachelor’s or master’s degrees is usually black. Gold tassels are worn only by holders of doctoral degrees and by heads of institutions.

Academic dress that differs from this description usually indicates a degree from a university abroad or at home which does not follow the typical pattern.
