

Pillar

This year Pillar has been the 3rd year team, and served as the student-leaders of the Discipleship program. We have planned events, led Bible studies, raised money for mission trips, served in the community, and truly experienced God moving in our lives.

During our weekly meetings, we've studied God and His plan for us. In the book *Velvet Elvis*, by Rob Bell, we've been challenged to ask questions and dig deeper in our faith, our traditions, and in the Scriptures. As a group and as individuals, our hearts' desire is to live and breathe our faith. God's word is real, and it is here and now. As young adults, we are living that daily struggle to be Jesus to those who live in a world that needs Him so desperately.

Over the past three years, I am in awe of how we have grown, and how God has shaped each one of us, and revealed Himself to us. Discipleship has offered us so many opportunities and challenges that I will forever be thankful for.

The Members of Pillar:

Joel Alejandro

Carmon Bliss

Christie Boote

Molly Hamlett

Jenny Harrington

Tony Lara

Simbi Munjoma

Nicole Pierce

Kelly Rowe

Peter Ruggles
