

The logo features the text "SAAB SATURDAYS" in a large, bold, white sans-serif font. The letter "A" in "SAAB" is replaced by a stylized icon of a classical building with a pediment and columns. Below the text, a graphic of two hands, one light brown and one dark brown, is shown in a firm grip, symbolizing support and unity. The background is a solid light brown color.

SAAB Brother 2 Brother is a student organization that is concerned with closing the academic achievement gap of young men in middle school, high school, and collegiate levels. SAAB Saturdays are a time when these students can engage in mentoring and team-building activities to address the disparities in attainment.

We will have workshops, speakers, and help in chapter building for our high school and middle school brothers. SAAB Saturdays are a prelude to the "Black and Brown Summit" summer camps. Anyone is welcome to attend and participate.
