

Community Music School Classes

*Classes-

- **Composition-**
 - Come learn how to compose your own masterpieces. Take composition lessons with other musicians to write your very own music.
- **Music Therapy-**
 - Rae Lynn Baker will be offering private or group sessions in Music Therapy. Call for more information.
- **Instrumentation Exploration-**
 - In this semester long course we will explore different instruments including harpsichord, organ, woodwinds, and brass instruments. We will take a close look at the construction and history of these instruments as well as learning the fundamentals of playing them.
- **Technology & Music-**
 - Composition programs and other technological programs are available for those composers out there. We have several programs and information to share with those interested in learning more about music and technology.

*Classes will be offered based on enrollment. There must be a minimum of 10 students enrolled in each class for the class to take place.
