

# Calling all young adults in ministry!

***We are Co-Creators!***

Camp Horizon

March 1<sup>st</sup> & 2<sup>nd</sup> 2012

Join the Builders in Ministry team at a retreat made just for you! Full of activities, conversations, and opportunities to be creative, this overnight retreat will help you take time for God and grow closer to people who serve the world in the same ways that you do! Our leader for this time is:

***Ashley Prescott Barlow-Thompson, Andover UMC Youth Ministries Coordinator***

This retreat is a great follow-up to the Creation Care Conference at this year's Builders in Ministry week at Southwestern. The focus is on becoming Co-Creators with God. This fun and energizing retreat will offer opportunities for you to relax, experience the great outdoors, be creative, and build relationships. This retreat will offer opportunities to deepen your understanding of Sabbath, taking on a new identity as co-creator and harnessing your creativity.
