The Southwestern College Theatre Department provides opportunities nearly every year for students to expand their horizons by studying the arts in New York City, in regional theatre cities like Chicago and Minneapolis, or internationally in England, Europe or Asia. Such study is invaluable to studying the theatre and the arts in our world, as well as opportunities for a life and/or career in the arts. Travel opportunities are on scheduled on a four year cycle so students can take as many opportunities as possible, and may get credit for their study.
