Rocky Horror is Cast

It has been cast! First rehearsal will be next Sunday. The cast list is attached to this email. Congrats to everyone who received a role. If anyone is interested in organizing costumes let Zoe know ASAP.

Probationary Member Voting

Don't miss the Campus Player meeting this Saturday! We are voting on the new probies and need everyone present. So don't forget! Saturday. Noon. Pounds Lounge. Be there!

Pictures or it Didn't Happen

Everyone was all over the campus in those 24 hours getting ready for the shows. We want the pictures. We want to collect those rehearsal shots, snapchats, and production shots. We have some photos of the productions but we can't capture every moment. If you or your parents or friends have any, email them to Anna.

Concessions

The next game is coming up in two weeks. It is the 27th of September. The game starts at 1:30pm so concession people will need to be there by 11:00am. Don't forget to wear an SC or Campus Player shirt or at least something purple. You will get an email as we get closer with more details. If you have any questions contact Mariah or Anna.

Committees

Thank you to the committees that met and for the heads of the committees that sent Zoe their lists!

However, not everyone showed up to those meetings so we need to start getting in the habit of this happening every week before the Campus Players Meeting.

The committees that have not sent anything are:

· Fundraising: Head—Joy

Need to let Zoe know five different fundraising ideas that you have come up with.

Please do this before Saturday.

From the Moon's Desk

We are very proud and thankful for the wonderful people that we get to work with at Southwester College—Actors, technicians, managers, playwrights, and directors. None of it could have happened in such a splendid way yesterday before, during and after the 24-Hour Plays if you hadn't each valued each other as much as you did, shared, risked your talent and grace together with each other in a spectacular way! What a beautiful gift you gave to each other, the folks who came from outside SC, and your audience..

Thank you from the bottom of our hearts! Hope you all got/get some rest too. - Roger
