AND

Thanks to all who helped out with all the Homecoming events!

AND

9 Lives Campus Show this Friday!

Meeting SATURDAY

It's not the 1st or 3rd Saturday but we took a week off for Homecoming so we need to meet this week to catch up. Now that Homecoming has come and gone it's time to put our full focus on the Haunted House and on Eagerheart. We will start looking at Eagerheart casting this Saturday so come to the meeting thinking about your top choices for characters!

Rocky Horror Show Week!

We are so close to the performance! It is THIS SATURDAY! Rehearsals will continue every night from 10 to 11pm. Starting Monday, bring all costume pieces you have to all rehearsals. This will help us find what is missing. There will be a full dress Saturday afternoon and possibly earlier if it can be fit in.

A Grimm Haunted House

The theme for our haunted house this year is Grimm fairy tales. Almost everyone got their schedules in and they will be passed on to the haunted house committee who will make up a work schedule for each night with both Campus Players and Tone Builders. If you have any questions or want to help out, contact Joy or Kaitlyn Holler, the Tone Builder President.

Set Building

Set building for both of our main stage productions will start this week. Be on the look out for messages about when you can come down to Tomari and lend a hand.

Off Book! You Ready for This?

Don't forget, both shows are off book this week, starting Tuesday. Both shows are off Act 1 on Tuesday and Act 2 on Thursday. Good luck!

Committees

Meeting on Saturday! Which means each of the committees need to meet and report to Zoe what they discussed!

Concessions

We have just two more games. We have already made over \$500 from the past games!

Oct. 25th and Nov. 8th.

It works out best to have a least 7 people work each game. People signed up for these games are:

10/25: Anna, Shane, Zoe, Allie, Austin

11/8: Anna, Shane, Zoe, Caitlin

If you would like to work either game contact Anna.
