

Scholarship Application Information
for the
Terry L. McKanna Scholarship Fund
of the
Kansas Section
of the
American Water Works Association

Objectives

The Kansas Section of American Water Works Association (KsAWWA) has established a scholarship fund entitled the Terry L. McKanna Scholarship Fund (TLMSF) for qualified students enrolled in an accredited college or university in the State of Kansas. Qualifying curriculum for scholarship applicants shall include courses related to civil or environmental engineering or environmental science with emphasis on career fields associated with the Waterworks Industry.

The TLMSF will consider applications for up to two (2) scholarships for 2016 in the amount of one thousand dollars (\$1,000). The purpose of these scholarships is to encourage enrollment in educational studies related to career fields associated with the Waterworks Industry. Also, as an additional incentive to apply, KsAWWA will be awarding up to eight (8) gift certificates in the amount of \$25 to applicants who are unsuccessful in recognition of their time and effort associated with preparation and submittal or your application and essays.

Eligibility and Application Requirements

- A. The applicant must be enrolled in a two- or four-year accredited college or university program as previously stated.
- B. The applicant must be a citizen of the United States.
- C. The attached application must be completed in full along with a two-page (or less) typewritten essay, describing the applicant's career plans. A recommendation from at least one professor in the applicant's major field of study, such as a mathematics or science teacher, must be included with the form.
- D. The applicant may be a graduate or under-graduate student.
- E. An applicant receiving financial aid from the applicant's employer which constitutes more than 50 percent of the applicant's annual costs for tuition and fees is not eligible for scholarship aid from the TLMSF of the KsAWWA.

Selection Criteria

The following point system will be used by the scholarship committee as the basis for selecting the scholarship recipient:

Evaluation Criteria	Total Possible Points
Relation of course work to the waterworks industry	30
Essay on Career Plans	30
Grade Point Average	20
Recommendation by Professor	10
Professional activities, offices held, and/or work experience	10
Total Possible Points	100
